

## Interprofessional Health Committee

Minutes from January 24, 2005

Present: Jane Banning, Bill Boissonnault, Mary Bumann, Byron Crouse, Connie Kraus, Jerry Noack, Chris Olsen, Kathy Skibinski, and Susan Zahner

Guests: Brian Harahan, Mackenzie Clark, Renie Schapiro, and Steven Barczy

### Notes from the meeting

1) Renie Shapiro and Steve Barczy presented an overview of their Student-Seniors Partnership Program. They want to add an interdisciplinary component to their existing program. They proposed a possible collaboration with the committee in this endeavor. This discussion also included information sharing on other community service learning courses on campus, particularly a pharmacy elective described by Connie Kraus.

2) Brian Harahan and Mackenzie Clark presented information on the Clarion Project for 2005; both the Feb 5th IPHC Systems in Patient Safety Symposium and the Feb 26th National Case Competition Kickoff Retreat

3) Jane Banning reiterated request for statements of purpose from members for inclusion in HSC proposal requesting staff position for the IHC

Health and Disease in Thailand, Directed by Connie Kraus and Chris Olsen, is the latest addition to the growing roster of interdisciplinary course offerings, and one other course is currently being reviewed.

4) Jane Banning and Mary Bumann reported on the Brown Bag collaboration with IPHC; the second occurred January 24th; went well. An effort will be made to set a schedule out longer than month to month, and the next two will most likely be scheduled on Fridays. Tamara Axelson, IPHC director/coordinator will schedule these. A concentrated effort to notify all interested parties will be implemented as well.

5) Several members presented overviews of interdisciplinary course opportunities in their departments including but not limited to: Nursing, Pharmacy, PT, Medicine, PA, Social Work, etc...
