Minutes from September 20, 2004 3330 HSLC

Present: Banning, Bersu, Bumann, Crouse, Heiss, Kraus, Rosa, Spear, Skibinski, Zahner
Guests: Holhstein, Axelsen, Tribby

Meeting Agenda

1. Littlefield panel recap
2. Brown Bag update – Bersu, Rosa, Crouse, Bumann
3. Required Elective update – Bersu
4. Prep for December Call for Courses, ongoing course proposal submissions:
5. Funding opportunities update
6. Guests

Meeting Summary

1. Review of minutes
2. Susan Zahner: online courses, preceptors in community health agencies; we should follow up with the Madison Patient Safety Collaborative contact person about sponsoring the case competition. Byron Crouse and Susan Zahner will follow up.
3. Bill Heiss to get notes from Brown Bag meetings to Bersu and Skibiniski
Discussion about doing the Brown Bags within the learning communities of the med school. Learning Communities have picked 4 topics of focus: professionalism, interdisciplinary, self care, and career development.
4. Discussion about forming an affiliation with the International Health Committee and collaboration with them (they are developing a Global Health Certificate program and want to discuss with us) to strategize about cross listing courses, paying tuition, etc meeting scheduled to explore this process in November
5. Becki Tribby - talked about cultural competence, interdisciplinary online case based course
6. Suggestion from Bill Heiss that we put our module "on the Teaching Academy".
7. Discussion about linking to the IHC from health professions programs web sites
8. Discussion about funding sources, including Burdick (rural and underserved; due date Jan 15, 05), Baldwin, RWJF (no deadline grants re: healthcare workforce ideas), and FIPSE (Fund for Improvement of Post-Secondary Education, due November 3, 2004).
9. Faculty rewards: Discussion about asking faculty who do interdisciplinary teaching if they receive rewards for doing so, response to brief survey mailed to current course directors.
10. Connie Kraus: we need to educate our deans about merit review process, promotion, write letters to deans about outcomes...etc
